Education

Damascus University - Computer Engineering 2007-2013

I studied Computer Engineering at the university of Damascus - Mechanical and Electrical Engineering college.

Flatiron School - Full-Stack Web Development 2017

I studied full-stack web development at Flatiron School for seven months. I created many websites and web applications after graduation.

Work Experience

Data Entry, 2014-2016 / ERC

I worked as data entry in the camp management of Qushtapa camp for two years. I was responsible for managing the database system under the camp manager supervision. I also was responsible for managing job center database.

Computer Teacher, 2014-2015 / NRC

I taught basic computer skills for youth refugees, windows operating system and Microsoft office applications (Word, Power point)

Coding Trainer, 2017 / IOM & Re:Coded

I taught scratch video game design for kids (12-18 years old) in a summer boot camp for one month.

Arabic Conversation Partner, 2017 / NATAKALLAM

I work as Arabic teacher/conversation partner for Natakallam platform. I teach both Fusha and Amryiah (Levantine dialect) over skype.

Computer Skills

- Web Development (Ruby on Rails, Sqlite3, postgresql, VBA Access)
- Web Design (HTML5, CSS3, Javascript, JQuery, AJAX, WIX website builder)
